

BUYER'S INVESTIGATION ELECTIONS No. 1
(This form is intended for use between a buyer and buyer's broker.)
 (C.A.R. Form BIE, Revised 6/25)

Property Address: 1634 Benedict Canyon Dr, Beverly Hills, CA 90210

This form does not alter the legal or contractual relationship between buyer and seller.

- A. IMPORTANCE OF PROPERTY INVESTIGATION:** Unless otherwise specified in the Agreement, the physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. A Broker's inspection is a limited visual inspection (see C.A.R. Form AVID), and a Broker is not qualified to conduct the investigations listed below nor will Broker conduct the investigations checked below by Buyer. For these reasons, you should conduct thorough inspections, investigations, tests, surveys and other studies (Inspections and Investigations) of the Property personally and with appropriate professionals (see C.A.R. Form BIA and SBSA), who should provide written reports of their Inspections. A general physical inspection typically covers neither all aspects of the Property nor items affecting the Property that are not physically located on the Property. If any professional recommends further Investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional Investigations.
- B. BUYER RIGHTS AND DUTIES:** You have an affirmative duty to exercise reasonable care to protect yourself, including by seeking information about the legal, practical and technical implications of disclosed facts, and to investigate and verify information and facts that you know or that are within your diligent attention and observation. If the purchase agreement gives you the right to investigate the Property, the best way to protect yourself is to exercise this right. However, you must do so in accordance with the terms and time limits specified in that agreement. It is extremely important for you to read all written reports/disclosures provided by professionals and to discuss the results of Inspections with the professional who conducted the Inspection.
- C. BROKER ADVICE: YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**
IF ANY BOX BELOW IS CHECKED, BUYER AGREES TO PAY FOR THE SPECIFIED INSPECTION UNLESS OTHERWISE AGREED IN THE PURCHASE AGREEMENT. BUYER IS RESPONSIBLE FOR CHOOSING THE PROVIDER AND ORDERING THE INSPECTION. IF YOU DO NOT SPECIFICALLY REQUEST A PARTICULAR INSPECTION NOW, YOU MAY DO SO IN THE FUTURE, IN WRITING. HOWEVER, IF YOUR CONTRACTUAL INVESTIGATION PERIOD HAS EXPIRED, SELLER MAY NOT ALLOW THE INSPECTIONS AT THAT TIME.
- D. BUYER INVESTIGATION:** Buyer represents and agrees that Buyer has independently considered the available Inspections and Investigations and AT THIS TIME has decided to order only those Inspections and Investigations checked below. Buyer may elect to change these elections during Buyer's investigation period. If Buyer does not investigate these items during the contractual investigation period, Buyer may lose the right to investigate these items later.
