Description	Quantity	Rate	Total
Sewer Main Line Inspection	1.0	\$0.00	\$0.00
Ran Sewer Camera through 4 inch cleanout in backyard found sewer line has been replaced with abs pipe under house . Found abs to cast iron transition in front bedroom . Main Sewer Line in front driveway to street is original Cast Iron and has lots of scale build up reducing sewer line diameter . Recommend Installing 4 inch cleanout in front drive way and descaling main sewer line out to street and cleaning it with a hydro jetter . \$4500.00			
Sewer Video can be seen in link below 1st video is from cleanout out to street Link https://youtu.be/o0z86kC1G68 2nd video is from cast iron to abs coming back Link https://youtu.be/kZ5pf1Z0nMc
