

FEDERAL REPORTING REQUIREMENT PURCHASE ADDENDUM

(C.A.R. Form FRR-PA, 10/25)

The following terms and conditions are hereby incorporated in and made a part of the Purchase Agreement ("Agreement"), dated 01/23/2026, on property known as 8638 Hollywood Blvd, Los Angeles, CA 90069, ("Property") in which Philips Raymond is referred to as ("Seller") and Puneet Mehta, Member, 844 LLC, an Arizona LLC is referred to as ("Buyer").

This addendum is to be used with a: (i) Residential Purchase Agreement (C.A.R. Form RPA); (ii) New Construction Purchase Agreement (C.A.R. Form NCPA); (iii) Vacant Land Purchase Agreement, if the Property will be improved with a residential dwelling with one to four units (C.A.R. Form VLP); (iv) Residential Income Purchase Agreement (C.A.R. Form RIPA), where the income property contains one to four units; or (v) Residential Units Purchase Addendum (C.A.R. Form RU-PA), where the mixed-use property contains one to four residential units.

- 1. FEDERAL REPORTING OBLIGATION:** Pursuant to rules issued by the Financial Crimes Enforcement Network ("FinCEN") of the U.S. Department of the Treasury ("Treasury"), beginning December 1, 2025, a "Reporting Person" (typically the escrow or title company responsible for closing) is required to collect, and report to the Treasury, certain information about the Buyer and Seller in the sale of certain real property for the purpose of preventing money laundering. Originally scheduled to take effect December 1, 2025, the reporting requirements have been delayed to March 1, 2026. The Reporting Person may require the needed information from Buyer and Seller for applicable transactions for which an offer was accepted prior to March 1, 2026, if there is a possibility the transaction will close escrow on or after the March 1, 2026, implementation date even if scheduled to close escrow prior to that date.
- 2. CONDITIONS FOR WHICH THE REPORTING OBLIGATIONS APPLY:** The collection and reporting obligations apply if: (i) the property being purchased is real property with one to four residential units or vacant land for which the transferee intends to build residential real property with one to four units, or shares in a cooperative housing corporation; (ii) the buyer is a legal entity or trust; and (iii) the buyer is making an "all-cash" purchase or financing the purchase through a bank or other institution that does not have an independent money laundering reporting obligation.
- 3. REQUIRED REPORTING INFORMATION:** The following is a non-exclusive list of the "persons" from whom the Reporting Person is required to collect information as well as the type of information to be collected.
 - A. Buyers:** Entity Buyers, Beneficial Owners of Entity Buyers, Signing Parties of Entity Buyers, Trust Buyers, Entity Trustee of Trust Buyers, and Individual trustees and beneficial owners of Trust Buyers;
 - B. Sellers:** Individual sellers, Entity sellers, Trust Sellers, Individual and entity trustees of Trust Sellers;
 - C. Information to be collected:** Legal names, dates of birth, dates of execution of trusts, addresses, dbas, citizenship (for trustees or beneficial owners of trust buyers) taxpayer identification numbers ("TIN"), and, if applicable, account number and financial institution name from which payment is made.
- 4. DELIVERY OF REQUIRED INFORMATION:**
 - A.** Buyer and Seller shall, within **7 Days** after receiving a request for FinCEN information from the Reporting Person for the transaction, deliver to the Reporting Person all necessary information to satisfy the reporting requirements.
 - B.** Buyer and Seller agree to make a good faith effort to acquire such information from any entity, beneficial owner, trustee or signing party that is not Buyer or Seller.
- 5. CONSEQUENCES OF FAILURE TO PROVIDE REQUESTED INFORMATION:**
 - A.** The Reporting Person will not close escrow if the requested information is not provided in full, regardless of whether due from Buyer or Seller or another person on their behalf;
 - B.** Any Buyer or Seller who fails to provide the requested information for themselves may be in breach of contract.
 - C.** If the Reporting Person requires information from a related third party such as an entity, beneficial owner, signing party, or trustee, and the Reporting Person notifies a Buyer or Seller that the other has failed to provide such information, the performing Buyer or Seller may cancel after first giving the non-performing Buyer or Seller a notice to perform.

By signing below, Buyer and Seller acknowledge that each has read, understands, has received a copy of, and agrees to the terms of this Federal Reporting Requirement Purchase Addendum.

1. **IMPORTANCE OF PROPERTY INVESTIGATION:** Unless otherwise specified in the Agreement, the physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. A Broker's inspection is a limited visual inspection (see C.A.R. Form AVID), and a Broker is not qualified to conduct the investigations listed below nor will Broker conduct the investigations checked below by Buyer. For these reasons, you should conduct thorough inspections, investigations, tests, surveys and other studies (Inspections and Investigations) of the Property personally and with appropriate professionals (see C.A.R. Form SBSA), who should provide written reports of their Inspections. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If any professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations.
2. **BROKER OBLIGATIONS:** Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as those listed below. If Broker gives you referrals to other professionals, Broker does not guarantee their performance.
3. **YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY, INCLUDING BUT NOT LIMITED TO THE FOLLOWING. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**
 - A. **GENERAL CONDITION OF THE PROPERTY, ITS SYSTEMS AND COMPONENTS:** Foundation, roof (condition, age, leaks, useful life), plumbing, heating, air conditioning, electrical, mechanical, security, pool/spa (cracks, leaks, operation), other structural and non-structural systems and components, fixtures, built-in appliances, any personal property included in the sale, and energy efficiency of the Property.
 - B. **SQUARE FOOTAGE, AGE, BOUNDARIES:** Square footage, room dimensions, lot size, age of improvements and boundaries. Any numerical statements regarding these items are APPROXIMATIONS ONLY and have not been verified by Seller and cannot be verified by Brokers. Fences, hedges, walls, retaining walls and other barriers or markers do not necessarily identify true Property boundaries.
 - C. **WOOD DESTROYING PESTS:** Presence of, or conditions likely to lead to the presence of wood destroying pests and organisms.
 - D. **SOIL STABILITY:** Existence of fill or compacted soil, expansive or contracting soil, susceptibility to slippage, settling or movement, and the adequacy of drainage.
 - E. **WATER AND UTILITIES; WELL SYSTEMS AND COMPONENTS; WASTE DISPOSAL:** Water and utility availability, use restrictions and costs. Water quality, adequacy, condition, and performance of well systems and components. The type, size, adequacy, capacity and condition of sewer and septic systems and components, connection to sewer, and applicable fees.
 - F. **ENVIRONMENTAL HAZARDS:** Potential environmental hazards, including, but not limited to, asbestos, lead-based paint and other lead contamination, radon, methane, other gases, fuel oil or chemical storage tanks, contaminated soil or water, hazardous waste, waste disposal sites, electromagnetic fields, nuclear sources, and other substances, materials, products, or conditions (including mold (airborne, toxic or otherwise), fungus or similar contaminants).
 - G. **EARTHQUAKES AND FLOODING:** Susceptibility of the Property to earthquake/seismic hazards and propensity of the Property to flood.
 - H. **FIRE, HAZARD, AND OTHER INSURANCE:** The availability and cost of necessary or desired insurance may vary. The location of the Property in a seismic, flood or fire hazard zone, and other conditions, such as the age of the Property and the claims history of the Property and Buyer, may affect the availability and need for certain types of insurance. Buyer should explore insurance options early as this information may affect other decisions, including the removal of loan and insurance contingencies.
 - I. **BUILDING PERMITS, ZONING, GOVERNMENTAL REQUIREMENTS, AND ADDRESS:** Permits, inspections, certificates, zoning, other governmental limitations, restrictions, and requirements affecting the current or future use of the Property, its development or size. Postal/mailling address and zip code may not accurately reflect the city which has jurisdiction over the Property.
 - J. **RENTAL PROPERTY RESTRICTIONS:** The State, some counties, and some cities impose restrictions that limit the amount of rent that can be charged, the maximum number of occupants, and the right of a landlord to terminate a tenancy. Dead bolt or other locks and security systems for doors and windows, including window bars, should be examined to determine whether they satisfy legal requirements.
 - K. **SECURITY AND SAFETY:** State and local Law may require the installation of barriers, access alarms, self-latching mechanisms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as various fire safety and other measures concerning other features of the Property.
 - L. **UTILITIES; SEWER; INTERNET:** Availability of gas, electric, water, sewer, garbage, internet and other services. The provider and quality of service may vary by location.
 - M. **SOLAR POWER SYSTEM:** The existence of a solar power system; whether it is owned, leased, financed, or otherwise subject to obligations, such as a power purchase agreement or maintenance agreement; the condition of and costs associated with the system.

N. NEIGHBORHOOD, AREA, SUBDIVISION CONDITIONS; PERSONAL FACTORS: Neighborhood or area conditions, including schools, law enforcement, crime statistics, registered felons or offenders, fire protection, other government services, availability, adequacy and cost of internet connections or other technology services and installations, commercial, industrial or agricultural activities, existing and proposed transportation, construction and development that may affect noise, view, or traffic, airport noise, noise or odor from any source, wild and domestic animals, other nuisances, hazards, or circumstances, protected species, wetland properties, botanical diseases, historic or other governmentally protected sites or improvements, cemeteries, facilities and condition of common areas of common interest subdivisions, and possible lack of compliance with any governing documents or Homeowners' Association requirements, conditions and influences of significance to certain cultures and/or religions, and personal needs, requirements and preferences of Buyer.

By signing below, Buyer acknowledges that they have received a copy of this Buyer Investigation Advisory, and they have read and understand its terms. Buyer is encouraged to read it carefully.
