PROPERTY ADDRESS: _____ (the "Property")

1. LOS ANGELES/WEST HOLLYWOOD-AUTOMATIC GAS SHUT-OFF VALVE ORDINANCE

All parties to this transaction are aware that on February 5, 1998, the seismic gas shut-off valve ordinance became effective in the City of Los Angeles. Additionally, the City of West Hollywood has enacted a Seismic Safety Gas Shut Off-Valve Ordinance. The Los Angeles ordinance requires that the shut-off valve at the Property be retrofitted prior to close of escrow, while the City of West Hollywood requires that the retrofit be completed within one year of sale.

2. LOS ANGELES-WATER CONSERVATION RETROFIT

The City of Los Angeles requires that the owner of real property ensure that, prior to close of escrow, all toilets and showerheads in the Property are low consumption. A Certificate of Compliance must also be filed with the city prior to close of escrow and failure to comply can result in fines being assessed. There are no exceptions for an "as-is" sale. As to the subject transaction, if the buyer and seller do not otherwise allocate such costs, then the seller shall pay for the retrofits. The buyer acknowledges that when the seller is responsible for this retrofit work, the ordinance does not require that replacements be of comparable quality, design or color to those currently found at the Property. For more information about this Ordinance, please contact the City of Los Angeles Department of Water and Power or the City of Santa Monica.

3. LOS ANGELES-IMPACT HAZARD GLAZING

Buyer and Seller are aware that City of Los Angeles Ordinance No. 161.136 requires that all external sliding glass doors (the sliding part only) be tempered glass or "impact hazard glazed" with a safety film approved by the City of Los Angeles prior to the close of escrow.

4. CITY REPORTS/LOS ANGELES-REPORT OF RESIDENTIAL PROPERTY RECORDS AND PENDING SPECIAL ASSESSMENT LIENS (9A REPORT)

Buyer is aware that numerous cities in Southern California require that Seller pay for and deliver to Buyer, prior to close of escrow, a report concerning the City records regarding the Property. Those cities include Los Angeles, Beverly Hills, Santa Monica and Culver City, among others. If the Property is residential and located in the City of Los Angeles, a "Report of Residential Property Records and Pending Special Assessment Liens" in accordance with Los Angeles City Ordinance No. 144.942 is required. Buyer and Seller acknowledge that Broker(s) is not responsible for the timely delivery of these reports.

5. LOS ANGELES/BEVERLY HILLS-HILLSIDE ORDINANCE

Buyer is advised that hillside property in the cities of Beverly Hills, Los Angeles and others may be impacted by local ordinances. If the Property is a hillside property, Buyer is advised to check with the applicable city to obtain a copy of any appropriate ordinances in order to determine their impact, if any, on the Property. Information regarding the City of Los Angeles Hillside Property Ordinances can be obtained from City of Los Angeles, Department of Building & Safety, 1828 Sawtelle Blvd., Los Angeles, CA 90025 (310) 575-8181; and information regarding the Beverly Hills Hillside Ordinance can be obtained from City of Beverly Hills, Department of Building & Safety, 455 N. Rexford Drive, Room G10, Beverly Hills, CA 90210 (310) 285-1141.

6. FLIGHT PATHS

Buyer is advised that the frequency and hours of aerial traffic, flight paths and altitude, and other factors related to airport use in the area of the Property, are subject to change. Many local airports are currently reviewing, or have approved, proposals to increase permitted air traffic and flight path routes. Such current or future changes may affect the Property. Buyer is advised to investigate all existing and future plans for expansion of, or changes in, air traffic activity. For additional information, Buyer may contact the (a) Santa Monica Airport at (310) 458-8591, (b) Los Angeles International Airport, Noise Management, at (310) 646-9410, (c) Federal Aviation Administration, at (310) 725-3300 or the Federal Aviation Administration - Public Affairs Department, at (310) 725-3580, (d) Burbank Airport Noise Line, at (800) 441-0409 and the Van Nuys Airport at (818) 785-8838.

7. BEL AIR - RADON GAS

Buyer is aware that properties located in the Bel Air area are known to have methane and/or radon gas. For additional information on radon gas, Buyer may contact the Radon Hotline at (800) 767-7236.

8. MULHOLLAND SCENIC PARKWAY SPECIFIC PLAN

Buyer is aware that all property in the City of Los Angeles that is bounded on the East by the Hollywood Freeway, on the West by the Los Angeles City/County boundary line, and within approximately one-half mile North or South of Mulholland Drive is subject to the Mulholland Scenic Parkway Specific Plan, (Ordinance #167943 of the City of Los Angeles). If the Property lies within the Specific Plan area, Buyer is strongly advised to obtain a copy of the ordinance and to investigate thoroughly the impact that the Specific Plan may have on the Property. Buyer may obtain an official copy of the ordinance by calling or going to the Los Angeles City Ordinance Division, 200 N. Spring Street #395, Los Angeles, CA 90012, (213) 978-1133.

9. HANCOCK PARK/ BEVERLY CENTER-CITY OF LOS ANGELES METHANE GAS DISTRICT

Buyer acknowledges that the Property may be located in an area designated as either a high-risk or potentially high-risk methane gas area, and may, therefore, be subject to the Los Angeles City Methane Gas Ordinance. Buyer may obtain an official copy of the ordinance and a map of the District by calling or going to the Los Angeles City Ordinance Division, 200 N. Spring Street #395, Los Angeles, CA 90012, (213) 978-1133.

10. SUBWAY SYSTEM-LIGHT RAIL-METRO RAIL

Buyer is informed that the Property may be situated in or near one of the areas in which public authorities are contemplating or planning the location of a public rail transportation line. Any such rail line could adversely or beneficially affect the value or desirability of the Property. Buyer is advised that areas somewhat distant from the actual rail line may also be impacted. This potential impact includes, but is not limited to, the construction of ventilation units for the subway system, adjustment of traffic patterns due to construction, and construction or implementation of adjunct transportation facilities such as shuttle connections. Buyer is strongly advised to independently investigate the potential impact of any rail line on the Property. Information on public transportation rail line may be obtained from the MTA hotline, (213) 922-6235.

11. LOS ANGELES/SANTA MONICA/WEST HOLLYWOOD/BEVERLY HILLS-RENT CONTROL

Buyer is aware that the Property may be subject to a Rent Stabilization Ordinance. Information regarding the impact of such an ordinance on the Property, including, but not limited to, relocation fees and ability to evict tenants, registration of units and compliance with the Ordinance may be obtained from: Los Angeles City Rent Stabilization Board, (866) 557-7368; City of West Hollywood Rent Stabilization Board, (323) 848-6450; City of Santa Monica Rent Control Board (310) 458-8751; Beverly Hills Rent Stabilization Board, (310) 285-1031.

12. WESTSIDE-SUNSET SPECIFIC PLAN

In 1996, the City of West Hollywood implemented a 20-year plan for the development of Sunset Boulevard from Hayvenhurst Drive to the East to Sierra Alta Way on the West. The implementation of the various stages of this plan may, at various times, adversely impact parking, traffic flow, views and/or light for certain properties. For information regarding this plan, contact the Planning Department for the City of West Hollywood at (323) 848-6475.

13. WESTSIDE-SANTA MONICA BLVD. TRANSIT PARKWAY PROJECT

Buyer is aware that there is a plan to reconfigure Big Santa Monica Blvd. from Sepulveda Blvd. to Moreno Drive. Buyer may obtain information pertaining to the project from the Project Manager for the Los Angeles County Metropolitan Transportation Authority, Westside Area, at (213) 922-3058.

14. WESTSIDE-20" CENTURY FOX STUDIOS EXPANSION

Buyer is advised that 20th Century Fox is expanding and increasing the density of its studio complex, which may or may not adversely affect traffic in the area of the Property. It is recommended that Buyer thoroughly investigate this project and satisfy himself or herself as to the effect on the Property, or the traffic in the vicinity of the Property. For further information please call (310) 369-3056, Construction Manager.

15. HOLLYHILLS STORM DRAIN CONSTRUCTION

Buyer is aware that the Property may be situated in or near an area affected by construction of the Hollyhills Drain project. Implementation of the various phases of construction of this project may result in temporary restrictions to local traffic and emergency services. For additional information regarding the project, contact the Hollyhills Drain Project Manager at (626) 458-5152.

16. LOS ANGELES DEPARTMENT OF WATER AND POWER - OPEN RESERVOIRS

Buyer is aware that properties in the areas surrounding an open reservoir may be impacted by existing or future plans to modify open reservoirs in order to comply with Federal and State Clean Water Acts and other laws regarding water use and storage. Buyer is advised to obtain additional information regarding this matter from: (a) Los Angeles Department of Water and Power, 111 N. Hope St., Los Angeles, CA 90012; and (b) Water Quality Hotline -213-367-3182.

17. LOS ANGELES AIRPORT EXPANSION

Broker is informed that the Los Angeles International Airport ("Airport") is working on a master plan to guide Airport expansion through the year 2015. The expansion is in the planning stages at this time. Also, the vacant land to the north of the Airport, known as the LAX Northside Property, may be developed. Buyer is advised to contact the LAX Master Plan Program Management Team at (310) 646-7690 for more information.

18. INTERSTATE 405 CONSTRUCTION PROJECT

Buyer is aware that Caltrans is undergoing the construction of High Occupancy Vehicle Lanes on the Interstate 405 from National Boulevard (just south of Interstate 10) to Greenleaf Street (just south of US Highway 101). Construction will occur in segments over several years. Buyer is encouraged to investigate the project, particularly with regard to the project's impact on the Property and traffic in the vicinity of the Property, Buyer is advised to obtain additional information regarding this project from Caltrans.

19. HANCOCK PARK-STREET LIGHTING ASSESSMENT

Buyer is advised that properties in Hancock Park and Windsor Square may be subject to an assessment for installation and/or maintenance of special street lighting fixtures. To determine whether the Property is going to be assessed, and the amount of any such assessment, Buyer is advised to contact the Los Angeles County Tax Assessor's Office at (213) 974-3211.

20. UNIVERSAL STUDIOS EXPANSION

Buyer is aware that Universal Studios Inc. plans to expand its office, studio, hotel, commercial and entertainment space at Universal City, adding to the current 5.4 million square feet ("Project"). Broker(s) are unable to advise Buyer regarding the details of the proposed Project. For more information regarding the Project, please contact Universal Studios Inc. at (818) 777-1000.

21. BENEDICT CANYON - STORM DRAIN REPLACEMENT

Buyer is aware that, beginning on or about approximately June 1, 2003, and continuing for approximately 18 months thereafter, the City of Los Angeles will be replacing the storm drains on Benedict Canyon Dr. As a result of that work, Benedict Canyon Dr. will be closed from Hutton Dr. to Mulholland Dr. and traffic will be diverted to Deep Canyon Dr., Beverly Glen Blvd. and Sepulveda Blvd, among others. Buyer is advised to contact the City of Los Angeles regarding the storm drain work and how it, and any change to the area's traffic pattern, may affect the subject Property.

22. HANCOCK PARK - HISTORIC PRESERVATION OVERLAY ZONE

Buyer is aware that a Historic Preservation Overlay Zone ("HPOZ") has been proposed for the Hancock Park and Windsor Square areas of Los Angeles. As a result of that proposal, an Interim Control Ordinance ("ICO") has been passed which prohibits the issuance of any building permit allowing the demolition or alteration of a building in the proposed HPOZ that affects 51% or more of the building's front facade. Broker hereby recommends that Buyer contact the City of Los Angeles to investigate how the HPOZ and/or ICO will affect the Property, Buyer's ability to do construction of the Property and the value of the Property.

23. BRUSH CLEARANCE

Property owners are responsible for keeping the brush on their property cleared in accordance with Fire Department regulations. If the property owner does not clear the brush prior to the deadline (usually May or June) the City or County Weed Abatement Department will clear it after the deadline and lien the property. If the property is owned by Seller after it is cleared by Weed Abatement, Seller will be held responsible for paying the Weed Abatement lien. Buyer and Seller should ascertain lien status from the Weed Abatement Department.

24. NATURAL AND HAZARDOUS CONDITIONS

Buyer and Seller are aware that Malibu and Topanga are characterized by certain natural hazards and conditions, included, but not limited to, fires, flooding, severe winds, landslides, mudslides, high wave action on the beach, road closures, wildlife, earthquakes, and sea air. Buyer is further aware that municipal, state and federal law protecting wildlife, natural ecosystems and the like may impact the Property. For further information contact the City of Malibu and/or County(s) of Los Angeles or Ventura.

25. DEVELOPMENT OF THE PROPERTY

Buyer acknowledges that numerous conditions and classifications may affect or impair Buyer's ability to use, remodel and develop the Property. These conditions and/or classifications include, but are not limited to, geological hazard abatement districts such as Big Rock and Malibu Road, Special Study and/or Seismic Hazard Zones, ancient landslide or community standards districts within the Topanga Area, and the Local

Coastal Plan adopted by the California Coastal Commission. Buyer is strongly advised to contact the City of Malibu, the County(s) of Los Angeles or Ventura, the Coastal Commission and/or the State Geologist to determine whether the Property, or Buyer's ability to develop the Property, is affected by any such condition and/or classification.

26. SPECIAL ASSESSMENTS

Buyer is advised that a number of assessments may exist, including, but not limited to, geological hazard abatement, homeowner's associations, CC&R's, flood control, water table lowering, fire prevention, undergrounding of utilities, private roads, private development agreements and sewers. Buyer acknowledges Buyer will be solely responsible for installments which fall due following close of escrow.

27. WATER SHORTAGES AND EMERGENCY WATER CONSERVATION

Buyer acknowledges the Property may be located in an area, which may experience serious water shortages. The policies of the local water district and the city and/or county in the which the Property is located can result in the occurrence of (a) limitations on the amount of water available to the Property, (b) restrictions on the use of water, and (c) increasingly graduated cost per unit of water used, including, but not limited to, penalties for excess usage. For further information, Buyer is advised to contact the public supplier of water to the Property regarding the supplier's current (or anticipated) policies on water usage and to determine the extent to which those policies may affect Buyer's intended use of the Property.

28. EARTHQUAKE FAULT ZONE/SEISMIC HAZARD ZONES

The Property may be within an Earthquake Fault Zone (Chapter 7.5 Division 2 of California Public Resources Code Sections 2621-2630) and/or Seismic Hazard Zone (Sections 2690-2699.6). If so, the construction on or development of the Property may be subject to the findings of a geological report, unless such report is waived by the respective city or county.

29. BRUSH CLEARANCE

Property owners are responsible for keeping the brush on their property cleared in accordance with Fire Department regulations. If the property owner does not clear the brush prior to the deadline (usually May or June) the City or County Weed Abatement Department will clear it after the deadline and lien the property. If the property is owned by Seller after it is cleared by Weed Abatement, Seller will be held responsible for paying the Weed Abatement lien. Buyer and Seller should ascertain lien status from the Weed Abatement Department.
