**Re: Catherine Shepard, Executrix of the Estate of Adele Elizabeth Shepard
(Seller) to Olivia Pitton (Purchaser)
15 Braintree Crescent, Penfield, NY 14526 (Property)**

Dear Ms. Rogers:

I approve the above-referenced Purchase and Sale Contract on behalf of the Seller subject to my client, Ms. Catherine Shepard, being appointed Executrix. David Cook represents the estate. The only hold up was the witnesses to the will being located. That issue has since been resolved.

As you are aware, Paragraph 3 subsection (D) of the 2024 real estate contract sets forth the parties' agreement with regard to Zoning/Building Code Compliance. Any changes to that agreement shall be considered a counteroffer, subject to my further review and approval.

In the event the deposit amount exceeds the commission due we request that the overage be tendered to our office at least seven days prior to the anticipated closing date so that the funds can be clear and be available at closing to pay the seller's expenses or to deliver to the seller in the form of net proceeds.

My paralegal, Thomas, will work on this file with me. Feel free to contact him at tkanaley@psnlawgroup.com or (585) 360-1202. We look forward to working with you on this transaction. I remain available to discuss this matter at your convenience.

Very truly yours,
PHETERSON SPATORICO LLP
