Dear Timberlake Community Association,
I hope you're having a great Tuesday!

I am writing to request clarification regarding the resale disclosure package issued for **4232 Maplehurst Road, Virginia Beach, VA 23462**.

Upon reviewing Appendix 15, we noted the following statement: "At this time, it is unknown whether or not there are any alterations to the unit that violate the association."

To ensure the disclosure is accurate and to protect all parties involved in the transaction, we are seeking a definitive determination regarding any outstanding architectural or maintenance violations. Could you please confirm if an inspection has been performed or if there are any records of non-compliance for this property?

Our goal is to resolve this unknown status to provide full clarity for the resale process. Thank you for your time and assistance!

Best regards,

Good afternoon

Thank you for reaching out. A visual inspection of the front of the unit was done, and no issues were seen when the resale disclosure was completed. That line is a place holder and was an oversight that I missed, so I apologize for the confusion that may have caused.
